Administrative Review

Board Composition According to the agency's bylaws updated and approved November 19, 2024, the Tripartite Board must be composed of a minimum of twelve (12) members and a maximum of fifteen (15) members. Per agency's bylaws the Board membership shall be composed of: five (5) public sector members, five (5) low-income members, and five (5) private sector members. Bylaws do specify a target timeframe for filling board vacancies.

Regarding the establishment of a quorum, the bylaws state one-third (1/3) of the seated commissioners shall constitute a quorum. The CSD 188 board roster dated June 3, 2026, indicates the Board is composed of fifteen (15) members with no board vacancies.

*CSD recognizes that agencies are awaiting approval of the update to 22 Cal. Code Regs. § 100605, which will reduce the tripartite board membership requirement from twelve to nine. In the interim, agencies will not be assigned corrective actions for vacant board seats if current board is composed of nine or more members and configured in compliance with all federal and state statutory and regulatory requirements. (42 U.C.S. § 9910, Cal. Gov. Code § 12751, 22 Cal. Code Regs. § 100605.)

On May 2, 2025 agency submitted a Declaration of Intent to reduce the size of its tripartite board to nine members once new regulatory standards currently in development will allow.

Board Meeting Minutes

Submission of Board Meeting Minutes

Agency did submit approved minutes for its board meetings to CSD within thirty days of approval as required in the annual contract agreement (2026 CSBG Contract Agreement Section 4.1.5).

Board Involvement

A review of the board minutes from November 18, 2025, January 27, 2026, and March 24, 2026 indicates that a quorum was met for each meeting. The information contained within the board minutes did provide the Field Representative with sufficient information to confirm the board's involvement in the development, planning, implementation, and evaluation of the program.

Fiscal Review

CSBG Contract 26F-6048

A review of FMM reports from January 2026 through July 2026 indicates 35.10% or \$94,480.03 of \$269,162 has been expended. The agency is within 15% of its historic 3-year spending trend.

Expenditure Reporting

Given that agency is within 15% of its 3-year spending average, a review of the timeliness of agency expenditure reporting was not necessary.

Fiscal Reconciliation Review

Field Representative sampled the following two transactions from costs reported across two line-items in agency expenditure reporting:

Contract #	Report Period	Section (Program/Admin)	Line Item	Amount
26F-5053	2/1/26 2/28/26	Admin	Contract/ Consultant Services	\$5,383
26F-5053	2/1/26- 2/28/26	Program	Subcontractor/Cons ultant Services	\$9,456.95

The Field Representative reviewed the general ledger, subledger detail, payroll requests, paystubs, pay summaries, expenditure reports, and cancelled checks and verified that the documentation supported the transactions sampled from expenditures reported in FMM.

Programmatic Reporting

Annual Report

The 2025 CSBG Annual Report was due to CSD on or before February 3, 2026. Agency submitted the 2025 CSBG Annual Report to CSD on February 3, 2026 (CSBG Contract Agreement Section 7.4.4).

Organizational Standards

Agency did submit the 2025 Organizational Standards assessment by the September 2, 2025, due date. (CSBG Contract Agreement Section 7.3).

Agency's final 2025 Organizational Standards score is 100%

Agency will submit the 2026 Organizational Standards assessment by the August 31, 2026, due date. (CSBG Contract Agreement Section 7.3).

Subcontractor Review

The Field Representative, in accordance with the 2025 CSBG, and 2026 CSBG Agreement Section 4.21.2 assessed the contractor requirements, which included verification of submission of the CSD 163 Subcontractor List form which included the completion of an Excluded Parties List System ("EPLS"). The assessment determined the Agency did submit the required documentation within the contractually prescribed timeframe.

Programmatic Performance and Alignment

Contract Execution and Deliverables Submission

The agency's current work plan is in alignment with the most recent CAP and the projections reported in the CSD Form 641 A/B documents.

As a public agency, Yuba County Community Services Commission is required to complete contract execution and deliverable submission within 45 days of receipt (2026 CSBG Contract Agreement Section 2.1.1).

- Agency 2026 CSBG annual contract 26F-5053 and associated programmatic deliverables were due to CSD on or before February 9, 2026.
- A review of the contract and deliverable submission tracking for this contract indicated the contract and programmatic deliverables were submitted in a timely manner.
- Amendment 1 to agency 2026 CSBG contract had not yet been released by CSD at the time of this review.

Contract Close-out Submission

A review of agency's 2025 CSBG contract close-out report submission for CSBG contract 25F-6053 indicates agency did submit the applicable close-

out documents on or before the applicable due dates and did fully expend the contract allocation. (2025 CSBG Contract Agreement Section 6.2).
