INTENT

Yuba County Community Services Commission, hereinafter referred to as "YCCSC", is soliciting proposals from qualified 501(c)3 organizations, faith-based organizations, and public agencies, hereinafter referred to as "CONTRACTOR", to administer and/or operate community-based programs designed to reduce poverty, revitalize low-income communities, and empower low-income families and individuals within Yuba County to achieve self-sufficiency.

This solicitation is not intended to create an exclusive service AGREEMENT and multiple agreement awards may be made depending on funds available. YCCSC retains the ability, at its sole discretion, to add qualified CONTRACTORS at any time.

BACKGROUND AND SCOPE OF SERVICES

YCCSC oversees an anti-poverty program that allocates funding to nonprofit, faith-based and public agencies that provide services to support, assist, and empower low-income people and improve their quality of life. YCCSC is a non-profit 501(c)3 organization governed by a volunteer board of directors representing the private, public, and low-income sectors of the local community.

YCCSC receives funding from the Community Services Block Grant through the State Department of Community Services and Development. YCCSC strives to leverage funding from other resources to expand existing programs and to develop new services to meet identified needs in the community.

Every two years, YCCSC conducts a community needs assessment and public hearing. Comments and public needs are gathered and incorporated into a two-year plan called the Community Action Plan. The top five community priorities gathered from this process drive the types of services that will be considered for funding through a service provider process.

SCOPE OF WORK

The SCOPE OF WORK includes but is not limited to the following:

The specifications of this RFP are based on the 2022-2023 Community Action Plan. Services must specifically relate to one or more of the identified top five countywide service priorities and proposals must include a Statement of Work that describes how contracting services match one or more of these priorities of the 2022-2023 Community Action Plan. If the agency will not be addressing one of the top five priorities, it must explain why the program is needed in the

community and should be funded. The services and needs identified as the Top Five Countywide Service Priorities in YCCSC’s 2022-2023 Community Action Plan in rank order are:

- 1) Creation of Affordable Housing
- 2) Homelessness prevention and reduction
- 3) Access to mental, behavioral health programs and counseling
- 4) Food Insecurity
- 5) Access to substance abuse programs and counseling

YCCSC is particularly interested in receiving proposals that will provide services in these priority areas, that foster interagency coordination of activities and that eliminate duplication of services. More than one proposal may be submitted by an agency, but the proposal must be for different programs and different priority areas of service.

YCCSC has outlined the following criteria for allocating funds:

- Funding will be allocated based on the priority level of the service in the Community Action Plan and the CONTRACTOR’S projected service capacity to Yuba County residents living in poverty (125% or below the poverty level or possibly at or below 200%).
- YCCSC will execute individual contracts with each service agency. It is possible for more than one agency to provide services for the same service priority. It is also possible for one agency to provide services matching multiple service priorities; however regional service capacity will determine funding amounts.

Funding Allocation

Estimated total funds available for this RFP are \$240,000. The percentage of funds allocated to each agency is based on the numerical ranking of the service priority being served, how many service priorities are being served and the agency capacity. Poverty is defined as individuals living in families (including single persons) with income at or below 125% or possibly at or below 200% of the federal poverty level. See below – Federal Poverty Guidelines.

2022 Poverty Guidelines 125% of poverty level
